

Chester Regatta 2019

Emergency Procedure

In the event of any incident requiring the attendance of the Emergency Services the following procedure must be adopted:

1. Radio for the nearest safety boat to carry out a rescue if the incident is on the water.
2. Evacuate the area if the incident involves a fire.
3. Radio Race Control and ask for the emergency services to attend an incident at the Emergency Services Rendezvous Point (See Below) and identify type of incident involved.
4. Race Control will telephone 999 from a mobile phone and ask for the emergency service to attend at the appropriate access point.
5. Race Control will confirm to the request holder that the appropriate Emergency Service has been requested and provide an approximate arrival time.
6. If the Request Holder is unable to contact Race Control or has difficulty confirming the request, they should dial 999 themselves if this is practical.
7. In the event of a fire in the Marquee or Sailing club, evacuate the area immediately around the fire, move towards the **River Bank** and assemble in the **Car Park** . If the fire involves a Boat on the water assemble on the **River Bank**.
